

Statement of Purpose

First Baptist Learning Center is a ministry of First Baptist McKinney that seeks to provide a nurturing Christian environment in which every child can grow and develop intellectually, emotionally, spiritually, socially and physically. First Baptist Learning Center also serves as a support system for parents by providing quality care and educational guidance.

Core Values

Family:

Parents and families are an integral part of FBLC's foundation. We believe it is vital to partner with families to provide effective Christian education for children as well as their academic success. It is the desire of FBLC to see our parents involved and enjoying the program as much as the children.

Faith:

It is crucial to our program to have well-trained teachers who are committed to loving and teaching children and are authentic Christian role models. This means it is our desire to develop the total child within the context of a Christian perspective to help each child become all God has created them to be. FBLC advocates faith development for all children through developmentally appropriate Bible teaching, which goes beyond facts and involves life application of the Scripture.

Environment:

FBLC believes in providing a secure, safe and well-equipped environment for children that enhances the teaching/learning process. This environment not only encourages safety and academics, but is a place for hands-on learning and creativity for developmental play. FBLC provides age-appropriate teacher/child ratios to optimize the learning experience for each individual child, according to his/her learning style.

Play:

It is the primary way that children learn and develop ideas about the world. Play aids in the development of skills needed for critical thinking and leadership. Play also helps children become problem solvers and gain confidence in learning. Play is not a break from learning—it's the way young children learn.

We believe the above core values are the cornerstone of a firm foundation for a child's overall success at First Baptist Learning Center.
